SPOTLITE

EXPLORE THE WORLD OF SPOTLITE WITH EXPERT INSIGHTS & THRILLING CONTENT

ISSUE 2027 | VOL 1

About Us

Our Legacy of Excellence

With over 65 years of expertise, Spotlite Pvt Ltd has become a trusted global name in motorcycle apparel manufacturing. Founded in Sialkot, Pakistan, in 1967 by Late Muhammad Anwar Butt, Spotlite began with a vision to create premium protective gear for riders who value both safety and style.

Women-Led Leadership

Today, Spotlite proudly continues that legacy under the leadership of Aysha Butt, the CEO of Spotlite Pvt Ltd. As a women-driven enterprise, Spotlite reflects a modern approach that champions innovation, empowerment, and excellence, while honoring its founder's enduring principles of craftsmanship and integrity.

Engineered for Protection and Performance

Every Spotlite product—whether it's a racing suit, touring jacket, glove, pant, or urban wear—is designed to deliver CE-certified protection and unmatched performance and precision. Each piece embodies our commitment to keeping riders confident and protected on every journey.

Innovation Meets Reliability

Our state-of-the-art manufacturing facility ensures world-class production, strict quality control, and innovative product development. With the ability to customize and scale, Spotlite serves as a trusted OEM/ODM partner to leading brands, importers, and distributors worldwide.

Global Reach - Custom Solutions.

From concept to creation, Spotlite provides tailored manufacturing solutions that meet the evolving demands of modern motorcyclists. Whether launching a new brand or expanding an existing product line, we deliver on-trend designs, dependable supply, and flexible manufacturing at every step.

Crafted for Riders, driven by Passion.

At Spotlite, we combine deep industry knowledge with a shared passion for two wheels. Our gear is more than just protective—it's crafted for lifestyle, attitude, and performance.

Spotlite – Gear Up - Ride Ahead.
